North Dakota Statewide Information Technology Plan 2000 - Agency Plan Summaries

244.0 ND Forest Service

Goals and Objectives

| Goal: | 1 | The agency will have modern, intergrated information technology (IT) tools that are well supported. | | | | | | | |
|---------|---|---|--|-----------|---|--|--|--|--|
| | | Obj | ectives | Timeframe | Accomplishments/Status | | | | |
| | | 1 | Adopt office information tools that are standardized, integrated and well supported (including training and documentation). | Ongoing | Agency has technology standards which are updated regularly. Training is ongoing. | | | | |
| | | 2 | Define and implement a structured training plan for the agency that covers both new-hire and continuing in-service information technology and business training. | 97-99 | Training plans are included in yearly responsibility reviews for each employee. Orientation manuals are provided to new-hires. TQ Council reviews and addresses training needs. | | | | |
| | | 3 | Analyze business processes. Implement changes and adopt appropriate technologies to improve efficiency and customer service. | Ongoing | Customer surveys have been completed for several program areas. Program reviews have been completed for all program areas. Both provide a means to improve customer service. | | | | |
| | | 4 | Investigate the cost of owning and operating a NDFS server for our homepage. | 99-01 | NDSU currently maintains our homepage. The agency would like to enhance and expand our homepage. | | | | |
| | | 5 | Develop GIS capabilities. | 99-01 | Computers and software were purchased in 1998. GIS training started in 1999. | | | | |
| | | 6 | Replacement of 6 computers each fiscal year and peripherals every 8 years | Ongoing | Replacement schedule has been met. | | | | |
| | | 7 | Update software every 4 years | Ongoing | Software has been standardized and is scheduled for replacement in 01-03. | | | | |
| Goal: 2 | 2 | | agency will have well-documentated information technology (IT) procedures ar | | A account to have on As /SAcAssa | | | | |
| | | Obje | ectives | Timeframe | Accomplishments/Status | | | | |
